COLLABORATIVE QUILTING: WEAVING OUR OSCLG PAST, PRESENT, AND FUTURE

LET'S CREATE A QUILT TOGETHER!

OSCLG has a rich history of creatively combining disciplines, perspectives, modes, and ways of knowing into a quilt of experience, opportunity, and growth. This workshop brings this metaphor to life through material and collaborative quilt making.

Together we will weave storytelling and quiltmaking into a meaningful memory session as we create a collaborative quilt that will be raffled to support the OSCLG Color Purple Diversity Fund. You need not be present to win.

In a literal weaving of feminist theory and praxis, facilitators Deborah Ballard-Reisch and Michelle Dreiling will incorporate historical and contemporary lessons from theory, experiences with OSCLG, and memories into collective expression and creation. Participants will experience a truly one-of-a-kind community project with meaningful takeaways.

Raffle tickets: 1 for $1, 6 for $5, 14 for $10

To participate in the quiltmaking workshop, come to Salon 1 from 4:00-5:15pm on Saturday
